To Our Patients,

Welcome to the family practice office which has served Ripon and surrounding communities since the early 1970's. We look forward to providing you with quality medical care. The following information will help familiarize you with our office.

1. Office Appointments are available from 7:00AM – 4:00PM Monday - Thursday and 7AM – 11:30AM on Friday. Phone hours are from 8-12 and 1-5, Monday - Thursday, and from 8-12 on Friday. We try to offer same-day appointments, but these are booked quickly, so we advise that you call the office early in the day if you hope to schedule a same-day appointment.

2. Please inform the schedulers of the reason for your appointment so they can allow adequate time for your appointment. Bring your insurance card, copay, and a list of your current medications with you to each appointment.

3. Should you be unable to keep your appointment, please call us at (209)599-4211 to cancel or reschedule, *as soon as possible*. There will be a $50 charge for missed appointments.

4. As a convenience to our patients we offer on-site blood draws. You do not need to schedule an appointment for this procedure, however our doctor's lab order must be in your file. Blood draws are performed on a walk-in basis. The lab hours are Monday - Friday from 7:00AM – 11:00AM. We do not draw lab tests ordered by outside physicians

5. Yearly physical exams for men over age 50 are advised. Please ask to schedule an "Annual Physical" at our front desk or call (209) 599-4211 x 2.

6. Yearly physical exams are advised for women. If you see a gynecologist, please ask them to forward all reports to our office in order to keep your record complete.

7. Please contact your pharmacy directly when due for a medication refill. They will forward your request to us and we will respond within 48-72 hours.

8. Visit our website for more information: www.RiponFP.com

9. Our doctors request that prior to a new patient's first appointment, past medical records be transferred to our office in order to effectively manage your care.

Thank you for coming to us for your health care needs.
